

Pat,

I was hoping to see you in person but Karen tells me it will be late when you return to the building.

[redacted] called yesterday and said there was a letter coming over with a courier from Senator Percy and that we had to respond within 24 hours. The letter has yet to turn up. Pat dictated this to me over the phone -- it is tailored to fit the letter coming in.

Frank discussed this with Clair George yesterday and he has no problems with it.

Could you please see that this gets to the Hill on Thursday. It must be there before they close.

Thank you.
